Subchapter 1: GENERAL PROVISIONS

§1031. UNAUTHORIZED ESTABLISHMENT; INJUNCTION

Any cemetery, community mausoleum or columbarium established, maintained or operated in violation of or contrary to this chapter is declared to be a nuisance, which may be abated or enjoined as such by the civil action of any citizen of this State.

§1032. DISPOSAL OF BODIES

Except as otherwise provided by law, or in case of a dead body being rightfully carried through or removed from the State for the purpose of burial or disposition elsewhere, every dead body of a human being dying within the State and the remains of any body after dissection therein shall be decently buried, entombed in a mausoleum, vault or tomb, or cremated within a reasonable time after death. The permanent disposition of such bodies or remains shall be by interment in the earth, or deposit in a chamber, vault or tomb of a cemetery owned, maintained and operated in accordance with the laws of this State, by deposit in a crypt of a mausoleum, or by cremation. The remains of a human body after cremation may be deposited in a niche of a columbarium or a crypt of a mausoleum, buried or disposed of in any manner not contrary to law. No deposit of the bodies or remains of the human dead shall be made in a single chamber, vault or tomb partly above and partly below the natural surface of the ground, unless the part thereof below such surface is of a permanent character, constructed of materials capable of withstanding extreme climatic conditions, waterproof and air tight, and capable of being sealed permanently to prevent all escape of effluvia, and unless the part thereof above the natural surface of the ground is constructed of natural stone of a standard not less than that required by the United States Government for monuments erected in national cemeteries, or durability sufficient to withstand all conditions of weather.

§1033. VESTED RIGHTS

This chapter shall not be construed as affecting any vested rights of any cemetery association or other agency owning, maintaining and operating a cemetery or crematory immediately prior to July 24, 1937. Insofar as this chapter does not violate any such vested rights, it shall, except as otherwise provided, apply to all such cemetery associations or other agencies.

§1034. JURISDICTION

The Superior Court shall have original and concurrent jurisdiction in all cases under this chapter. Judges of the District Court may cause the persons brought before them on complaint for violation of sections 1342 or 1343 to recognize with sufficient sureties to appear at the next term of the Superior Court and, in default thereof, shall commit them.

§1035. PENALTIES

Except as otherwise provided in this chapter, a person who fails to comply with or violates any of the provisions of this chapter in respect to the establishment, maintenance or operation of a cemetery, community mausoleum, crematory or columbarium or to the disposal of dead human bodies commits a Class E crime except that, notwithstanding Title 17-A, section 1301, the fine may not be less than \$100 or more than \$500. [2007, c. 112, §1 (AMD).]

SECTION HISTORY

2007, c. 112, §1 (AMD).

If property surrounding a burying ground appropriated pursuant to this section is conveyed, the property is conveyed by the person who appropriated the property or by an heir of that person and the conveyance causes the burying ground to be inaccessible from any public way, the conveyance is made subject to an easement for the benefit of the spouse, ancestors and descendants of any person interred in the burying ground. The limits thereof shall not be extended nearer any improved land used for recreational purposes or dwelling house than 100 feet, or nearer any well, from which the water is used for domestic

purposes, than 200 feet, against the written protest of the owner made to the officers at the time of the hearing on the petition. Nor shall any person, corporation or association establish, locate or enlarge any cemetery or burying ground by selling or otherwise disposing of land so that the limits thereof shall be extended nearer any improved land used for recreational purposes or dwelling house than 100 feet, or nearer any well, from which the water is used for domestic purposes, than 200 feet, against the written protest of the owner. Nothing in this section shall prohibit the sale or disposition of lots within the limits of any existing cemetery or burying ground, nor the extension thereof away from any improved land used for recreational purposes or dwelling house or well. This section shall not apply to land acquired under Title 37-A, section 15. [1981, c. 33, (AMD).]

Any private cemetery or burying ground, by written agreement of all the owners thereof, recorded by the clerk of the town in which it is situated may, by vote of such town within one month after the recording of such agreement by the town clerk, become public and subject to the law relating to public cemeteries or burying grounds, provided such agreement is not in conflict with the terms of any conveyance or devise of land for the purposes of a burying ground.

§1222. ACCEPTANCE; EXEMPTION FROM LIABILITY; TRUST FUNDS FOR REPAIRS

Any city, town, cemetery corporation, trust company or trustee may accept any conveyance of land not exceeding 1/2 acre, to be forever held, kept and used for a private or family burying ground for the grantors and such of their heirs and relatives by blood or marriage as the conveyance shall designate. Such city, town, corporation, company or trustee may accept and forever hold any donation or legacy for insuring proper care and attention to any burial lot or ground and the avenues thereof and the

monuments thereon. Having accepted such donation or legacy, said trustee becomes bound to perform the duties appertaining to the trust as specified in the writing creating the same or, in default of such specification, as required by law, and as in cases of public charity. Any city or town without giving bond therefor may be appointed by the probate court testamentary trustee for the purpose of holding forever, in accordance with this section and the terms of the devise, any fund devised for the purposes aforesaid. Any such city, town, cemetery corporation, trust company, or trustee failing to furnish proper care and attention to any burial lot, the perpetual care whereof has been provided for as above, shall be punished by a fine of not less than \$50 nor more than \$100, to be recovered by complaint or indictment. The District Court and the Superior Court shall have concurrent jurisdiction. Of all fines provided for under this section and recovered on complaint, 1/2 shall go to the prosecutor and 1/2 to the county where the city, town, cemetery corporation, trust company or trustee committing the offense is situated. Nothing herein contained shall be construed to compel any such city, town, cemetery corporation, trust company or trustee to expend in any one year upon any such lot more than the income from any such fund.

§1223. INVESTMENT OF FUNDS

Cemetery trust funds of any cemetery corporation or association, trust company, church, religious or charitable society, or other trustee, shall be invested in the manner provided in Title 30-A, chapter 223, subchapter III-A, and, unless the instrument or order creating the trusts prohibits, may be combined with other similar trust funds in the manner provided in Title 30-A, section 5654, and the annual income only shall be expended in performance of the requirements of the trust.
